Oil Conservation Commission  
Hobbs, New Mexico

Attention Mr. A. L. Porter

Gentlemen:

With reference to the Lane State #1 well, located in the NW/NW Section 36, T-10S, R-32E, Lea County New Mexico, and with emphasis on cleaning up the location after the well has been abandoned, I wish to advise that it is my desire to have the surface left in the condition that it is at the present time.

I am mindful of the fact that State Regulations require that the location be cleaned up, however, it is my understanding that this request will be granted upon this asking.

Yours very truly,

*Joe Lane*
