Gentlemen:

This is in further reply to your letter of December 1st, addressed to Mr. Frank Vesely, Secretary, Oil Conservation Commission, Santa Fe, New Mexico, regarding the cancellation of the bond covering the Vierson & Brown, Robinson Well No. 1.

Enclosed herewith is a copy of a letter from Mr. Zeke Robinson which is self-explanatory.

You undoubtedly know, the cellar must be filled before the plugging job is complete, and the bond can be cancelled.

Very truly yours,

FJV:t
