Mr. F.J. Vesely,
State Oil & Gas Inspector,
Carlsbad, New Mexico.

Dear Sir:-

At the request of Mr. J.W. Brown and in accordance with your instructions to him by telephone this morning, I herewith enclose the following reports in connection with the R.W. Viersen and J.W. Brown well, now drilling, upon the Center location of the NW $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 14, Twp 11 South, Rge 32 East, Lea County, New Mexico, to-wit:

Form SG 101, Notice of Intention To Drill New Well.

Form SG 106, Miscellaneous Reports on Wells.

Form SG 107, Operator's Monthly Report of Operations

With reference to the Bond, which you requested Mr. Brown to have made and forwarded you, I am today's date writing Mr. R.W. Viersen, P.O. Box #57, Okmulgee, Oklahoma, owner of said well to ascertain whether he wishes to have the Bond made there or for me to go ahead and have it attended to here. Upon hearing from him, I will see that this matter receives proper and prompt attention.

Mr. Brown, who is associated with Mr. Viersen in the drilling of this well, requested me to kindly advise you that he regrets his negligence in not attending to this matter sooner, adding that both Mr. Viersen and he will appreciate your further indulgence or your allowing them a few more days additional time in which to comply with your requirements.

Yours very truly,

J.H. Dalton, For: R.W. Viersen, Bx 57, Okmulgee, Okla.

J.W. Brown, Nickson Hotel, Roswell, N.M.
