92644 - State of New Mexico "BB" Lease  
Lea County, New Mexico  
Amended Form C-101, Well No. 1

New Mexico Oil Conservation Commission  
Hobbs, New Mexico

Attention: Mr. Roy Yarbrough

Gentlemen:

We are attaching in triplicate amended Form C-101 to cover the drilling of our State of New Mexico "BB" Well No. 1, to be located in the center of the northeast 1/4 of the southwest 1/4 of Section 11, Township 12-South, Range 32-East, Lea County, New Mexico.

This amended form supersedes Form C-101 filed under date of September 24, 1951, which gave the location of the well as the center of the southeast 1/4 of the southwest 1/4 of Section 11. In other words, we wish to move the location of this well one location or 1320' north of the location originally proposed and approved by you under date of September 26, 1951.

No operations have been commenced on this well, and we wish to change the location as we prefer to drill at this time in the northeast 1/4 of the southwest 1/4 rather than the southeast 1/4 of the southwest 1/4. We shall appreciate your approving the amended form covering this change of location.

Very truly yours,

L. F. Shiplet
