Attention: Mr. Parry

Gentlemen:

The last form filed on your New Mexico State E #1-O 17-12-32, North Caprock-Queen Pool, was Form C-110, which we approved on May 2nd, 1955 for the purpose of running recovered load oil. There is a statement on this form to the effect that this is a dry hole, but as of this date we do not have the Notice of Intention to Plug on Form C-102. We feel that you should give this matter your prompt attention.

Yours very truly,
