Dear Mr. Durrett:

Your September 13, 1963 letter addressed to our Denver, Colorado Office has just today been received in our Lubbock, Texas Branch Office which supervises claims in Lea County, New Mexico.

We would appreciate your advising us on the bottom of this letter if you have information available the number of the bond issued as well as the issuing agent as we have been unable to find record of having issued this bond out of our Lubbock Office. We wish to give this matter prompt attention but of necessity will need to have the correct bond information in order to obtain record of our coverage from the appropriate issuing office of The Travelers so that we may give this matter full attention.

Yours very truly,

  
A. D. Dabney  
Supervising Adjuster
