Mr. Roy Yarbrough
Oil Conservation Commission
Hobbs, New Mexico

Dear Roy:

Would you please check and see whether or not Sam Weiner ever plugged his State No. 1 well. Our records indicate a C-101 was filed for the SE/4 SE/4 30-12S-32E, but the insurance company mentions the well in SE/4 SE/4 section 20.

Thanks for giving us whatever information you have on this well.

Very truly yours,
