#3, Sec. 11, T. 13S, R. 31E. Form C-110.

Dear Mr. Denton:

With reference to the above captioned wells we have today received Form C-110, Certificate of Compliance and Authorization to Transport Oil, on both wells.

Upon checking my records I find that you have only filed Notice of Intention to Drill on both these wells. Mr. Yarbrough will not approve these forms until you file all drilling reports and well records in accordance with the Rules and Regulations of the Oil Conservation Commission.

In the future will you please file your drilling reports as the work is done to avoid delay in closing our files upon completion of your wells.

Very truly yours,
