Mr. J. O. Denton, Jr.
Cooperative Producing Association
Levelland, Texas

Dear Mr. Denton:

Please find enclosed a supply of Proration Office Completion Forms. It is necessary that this form be filed before a well is given an allowable. I believe this will clear the trouble on your State "G" #7 Well.

The Malco-State "A" #7 Well must have all reports filed before we can approve your Form C-110.

Will you please note the Rules and Regulations of the Oil Conservation Commission which states that Commission Forms are to be filed as the work is done and not upon completion of the well.

It will be a great help to every one concerned if you will comply with these rules in the future.

Very truly yours,

Secretary - Hobbs Office
