### NEW MEXICO OIL CONSERVATION COMMISSION

#### Santa Fe, New Mexico

#### MISCELLANEOUS REPORTS ON WELL

HOBER OFFICE

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

#### Indicate nature of report by checking below:

OIL CONSERVATION COMMISSION Santa Fe, New Mexico.		Place	Date
