Gentlemen:

Form C-103 stating that the well was still temporarily abandoned and no work was contemplated in the near future was approved by this office on February 23, 1960 for your Ainsworth No. 34-23 located in Unit O of Section 23, T-9-S, R-33-E.

Since you apparently have no plans for future development of this well, this office sees no reason that it should not be permanently plugged. Please advise as to your intention in this regard.

Yours very truly,

OIL CONSERVATION COMMISSION
