Re: State K #2-A  
Section 2, T10S, R33E  
Lea County, NM

Dear Mr. Hunt:

In reply to your phone conversation with Paul Kautz on January 19, 1988, The Bright and Company State K #2 well is approximately 7 miles from the South Flying M Abo Pool and over 2 miles from the Flying M Abo Pool. Therefore, we cannot extend either one of these pools to include your well.

We propose creating a new pool for your well called the Lane-Abo Pool. The earliest this pool creating could be scheduled for a nomenclature hearing is February 17, 1988. After the hearing you will be notified by letter of the effective date of the new pool creation. At that time Bright and Company will need to submit a new C-102 dedicating 40 acres to the well.

Very truly yours,

OIL CONSERVATION DIVISION
