P.S. to letter of August 13, 1957

Mr. Montgomery, if it is your desire to use an entire new set of C-128 forms for our State 1-F well, to be located in Unit K, Section 10, 11S, 33E, it will become necessary that we hire Mr. John W. West to re-survey the location and to certify to the new Form C-128; remembering that we have never been furnished Form C-128 although we have requested them.
