Oil and Natural Gas Commission
Form C-104
Request for Allowable
Oil and Natural Gas
Production
This form is to be filed in the office of the District Engineer, District 1, and is a request for allowable production. The form must be accompanied by a copy of the deviation report on the well in Appendix A. Sections of this form must be completed for new and recompleted wells. Only Sections I, II, III, IV, V, and VI are required. The number of copies of this form must be filed in the office of the District Engineer, District 1, and in the office of the District Engineer, District 2. Separate Forms C-104 must be filed for each well in multiple drilled wells.
