

NEW MEXICO OIL CONSERVATION COMMISSION

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the District Superintendent of the Commission within ten days after the work specified is completed. It should be signed and filed by the operator or his authorized representative. In case of shooting well, results of test of casing shut off, test of plugging of casing or other operations should be given. The work was witnessed by an agent of the Commission. See additional instructions to the District Superintendents of the Commission.
