Gentlemen:

Receipt is acknowledged of "Notice of Intention to Drill" dated February 21, 1952 covering well No. 1 Capps on subject land in the NW 1/4, section 13, T. 9S, R. 35E, Bough Pool, Lea County, New Mexico.

Your proposed work is approved subject to compliance with the provisions of the Oil and Gas Operating Regulations revised May 25, 1942, a copy of which will be furnished you on request, and subject to the following conditions:

1. Drilling operations so authorized are subject to attached sheet for general conditions of approval.
2. The 10 3/4" casing should be cemented with sufficient cement to reach the surface.
3. Cement behind the 7 5/8" casing should extend about 200 feet above the top of the Salado salt section, as determined by a temperature survey made within 12 hours after completion of the cement job.
4. Any water encountered must be isolated within the zone where found.
5. Copies of sample log, electrical logs, temperature and other surveys made are requested.

Very truly yours,

D. F. RUSSELL
Acting District Engineer
