Gentlemen:

We have been advised of your intention to convert the O. L. Kiker #1 dry hole located in the NE/4 SE/4 of Section 10, 9S, 36E, NMPM, Lea County, New Mexico to a salt water disposal well. We understand that this well will be completed in accordance with applicable statutes and regulations of the State of New Mexico.

This is to advise you as surface owners that we waive any objections to your application.

Yours very truly,

ALLIED FARMS DEV., INC.
