N.M. Oil Conservation Division

Dear Mr Sexton.

In regards to your letter of September 3, 86 concerning posting a bond and changing the ~~to~~ C-104 on the Merrill lease.

At the time I have made application with several companies to buy the required bonds. When these are approved I will contact you with the correct papers. Until this time happens I will continue to operate under the M.R. Brown bonds and not change the C-104.

Thanks

Ross Ainsworth
