Allison-Penn Pool

Dear Mr. Ainsworth:

We have had an inquiry concerning the change of operator from Maurice L. Brown Company to you on the above wells. Our records do not indicate that you have filed a C-104 for a change of operator. If you are operating these wells, you must obtain a plugging bond and file Form C-104 to change the operator. When this is done, you should file monthly operator's report Form C-115 for each month since you assumed operation of the wells.

If you are not operating these wells, please so advise.

Very truly yours,

OIL CONSERVATION DIVISION
