

OIL DEVELOPMENT COMPANY OF TEXAS

900 POLK STREET
AMARILLO, TEXAS

OFFICE OF MANAGER OF PRODUCTION

November 25, 1957

SFPRR 1-22

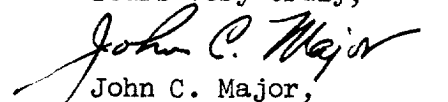

New Mexico Oil Conservation Commission
Box 2045
Hobbs, New Mexico

Gentlemen:

Enclosed please find in triplicate Form C-102, the Application of Oil Development Company of Texas to Plug and Abandon SFPRR Well No. 1-22 in Unit N of Section 22, T-9-S, R-36-E, in Cross-roads, Pennsylvanian, Pool of Northern Lea County. The offset operators have been notified of our intentions, as shown on the back of the enclosed Form C-102.

Oil Development Company had previously applied for and been granted permission to plug and abandon the second well on this lease, SFPRR No. 2-22 located in Unit M of this section. This approval was dated May 14, 1957, however, the work was not accomplished as we were holding this well for possible salt water disposal. A joint effort at salt water disposal is now being accomplished and we would like to plug and abandon both of these wells on this lease at this time. The offset operators have been notified that both wells are to be plugged and abandoned, No. 2-22 by previously granted authority.

Yours very truly,

John C. Major,
General Superintendent

JCM/mb
Encl.
