17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1503.

This well is produced by submergible pump. The well experienced a power surge which caused a down-hole short. The well was pulled on May 22, 1987. The cable was found to be defective and required replacement. The remedial work was completed May 23, 1987 and the well was put back on line.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
