Supervisor, District 1

Dear Sir:

Please refer to your letter of February 14, 1962, inquiring into the present status of Oil Development Company of Texas SFPRR Well No. 1-23 located in Unit 0 of Section 23, T-9-S, R-36-E.

Enclosed please find in triplicate Form C-103 showing the present status of this well. It is our desire to leave the well in its present condition pending the depletion of the Devonian pay in one other Oil Development Company of Texas well in the vicinity. We have been negligent in not sending six month status reports. This will be corrected in the future.

Yours very truly,

John C. Major
General Superintendent
