Dear Mr. Young:

Your letter of June 3, 1959 in regard to the proper plugging and abandoning of your Santa Fe "E" No. 2 located in Unit H of Sec. 29, T-9-S, R-36-E stated that the surface owner, Mr. U. D. Sawyer had requested that the location be left in its present state and not restored for the sake of providing better grass.

By carbon copy of this letter I am advising Mr. U. D. Sawyer that the Commission will approve the plugging and abandoning of this well on the basis of your request and that of Mr. Sawyer.

Yours very truly,

OIL CONSERVATION COMMISSION
