Dear Sir:

The Oil Conservation Commission on this date approves termination of the Hall & Stewart Drilling Company \$10,000 Blanket Plugging Bond with United States Fidelity & Guaranty Company as surety.

With reference to the cancellation of the blanket bond for G. E. Hall, we cannot cancel this bond until our file is complete on the Aztec-State No. 1 Well in Section 27, Township 10 South, Range 37 East. In checking with our Hobbs District Office, they advised that they are withholding approval of the C-103, report of plugging, on this well until Form C-105 is filed and approved. When this has been done, we will proceed with the cancellation of this bond.

I am sorry but it is not possible for us to terminate the bonds effective in 1956 as requested in your letter.

Very truly yours,

A. L. Porter, Jr.  
Secretary - Director
