Re: Change of Operator
State DX Well #1
Unit F, Sec. 33, T10S, R32E

Gentlemen:

We are returning Form C-104 requesting a change of operator from
Crump Petroleum Corporation to North Central Casing Pullers Inc.

We have been holding this since October 1990, and have had no
reply to our letter advising you that you would need to obtain
a plugging bond to cover this well.

Should you at a later date get a bond to cover this well you may
resubmit this C-104 for a change of operator.

Very truly yours,

OIL CONSERVATION DIVISION
