Section 7, T11S, R34E

Gentlemen:

We approved your intention to re-enter the above-rferenced well in February 1987. From time-to-time in 1988 you filed an activity report but we have received nothing since September 1988.

Please file a status report on this well. If you were unable to get down to your proposed completion zone your intention to plug should be submitted.

Very truly yours,

OIL CONSERVATION DIVISION
