Attention: Mr. Sheldon Ward

Gentlemen:

By letter dated November 15, 1967, you requested an exception to Order No. R-1517 to permit flaring of gas from your Simmons Federal Well No. 2, Section 33, Township 9 South, Range 38 East, NMPM, Sawyer-San Andres Pool. Since, as you have stated, all gas produced by said well is being put to beneficial use on the lease, the requested no flare exception is not necessary. Should the volume of gas produced become excessive to lease-use requirements, you should then file for the exception.

Very truly yours,

A. L. PORTER, Jr.  
Secretary-Director
