

Form C-102  
Supersedes C-128  
Effective 1-1-65

All distances must be from the W0886 OFFSHORE SECTION

1. Outline the acreage dedicated to the subject well by colored pencil or hatchure marks on the plat below.
2. If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).
3. If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling, etc?

If answer is "no," list the owners and tract descriptions which have actually been consolidated. (Use reverse side of this form if necessary.) \_\_\_\_\_

A circular professional seal for John W. West, a Registered Professional Engineer and Land Surveyor in the State of New Mexico. The seal features the text "REG. PROF. ENGINEER &amp; LAND SURVEYOR" around the top inner edge and "STATE OF NEW MEXICO" around the bottom inner edge. In the center, the license number "676" is prominently displayed above the name "JOHN W. WEST". The seal is stamped in black ink on a light-colored background.

I hereby certify that the information contained herein is true and complete to the best of my knowledge and belief.
