Mr. John W. Runyan
Oil Conservation Commission
P.O. Box 1980
Hobbs, New Mexico 88240

Dear Mr. Runyan:

The Charles B. Read #1 Ainsworth located in Unit H of Section 19, 9S-34E was recently plugged and abandoned. I have requested that the mud pit be left for our use as a stock watering tank. You are hereby authorized to release Mr. Read from the plugging bond and I will assume responsibility for the pit.

Yours very truly,

Exalee Howard (Mrs.)
