Re: Dessie Sawyer #2-K
Section 27, T9S, R36E

Gentlemen:

You re-entered the above-referenced well in late 1982 and completed it in 1983 as a SI well in the Crossroads-Devonian Pool. It is noted that the the Devonian for this 40-acres is dedicated to the Kelly H. Baxter Sawyer #1-K.

Since there has been no production from the #2 well since you re-entered it, you are requested to file your intention to plug and abandon.

Very truly yours,

OIL CONSERVATION DIVISION
