Re: Dessie Sawyer Lease  
Section 27, T-9-S, R-36-E  
Lea County, New Mexico

Dear Mrs. Sawyer:

There is a disagreement on who owns the oil recovered from the plugging operations on the Dessie Sawyer Lease and at this time the Oil Conservation Division has two Forms C-104 requesting permission to sell this oil.

Because of the above dispute, the Oil Conservation Division lawyer has advised me to hold both Forms C-104 requesting approval to sell this oil until the dispute has been settled in court or between the parties.

Enclosed are copies of both Forms C-104 for the same oil.

Yours very truly,

OIL CONSERVATION DIVISION
