OTHER Amended Notice			

17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

To confirm verbal approval by Joe Ramey to amend proposed plugging procedure to put sufficient cement on top of bridge plug to bring the fill up equal to the top of cement behind 5 1/2" casing. This would eliminate the plug across the 5 1/2" casing stub. All other plugs to remain as proposed.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
