This form is to be filed in compliance with RULE 1104.
If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviation logs taken on the well in accordance with RULE 111.

All sections of this form must be filled out completely for allowable on newly or deepened wells.

File only Sections I, II, III, and VI for changes of owner, well name or number or transporter or other such change of condition.

Separate Forms C-104 must be filed for each pool in multiply completed wells.
