17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well was completed from Bough "C" on 9-13-68 and has been testing until 3-1-69 on Kobe Pump. Production has been 5-6 BOPD and 1450 BWPD. This rate is uneconomical and we propose to temporarily abandon this well as of 3-1-69. We will P & A the well as soon as we can get equipment to do so.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
