Gentlemen:

Since your Crowley "A" State No. 1 located in Unit L of Section 5, T-12-S, R-33-E, Lea County, New Mexico, has apparently not produced for some time, please submit Commission Form C-103 indicating the present status of the well and any future plans for it.

It appears that unless you plan to put the well back on production in the near future, it should be plugged and abandoned at this time.

Yours very truly,

OIL CONSERVATION COMMISSION

Supervisor, District 1
