Sec. 25, T9S, R32E

Gentlemen:

An intention to recomplate the above-referenced well from the South Flying M Bough Pool to the Abo formation was filed by Kirby Exploration prior to the purchase of this well by American Exploration. Since no reports have been filed indicating this recompletion work was ever done, this approval is cancelled and should you desire to recomplate at a later date you will need to resubmit.

Very truly yours,

OIL CONSERVATION DIVISION
