Tom L. Ingram Box 1757 Roswell, New Mexico

Dear Mr. Ingram:

We have been holding since July, 1969 Form C-104, Request for Allowable, for your Granny No. 1 located in Unit 0 of Section 1, T-11-S, R-36-E. Your letter of July 3, 1969 stated that you would request approval for the tubingless completion, but to date we have had nothing from our Santa Fe office approving the request and we are wondering if the application was ever submitted.

Please look into this matter and advise at your earliest convenience.

Yours very truly,
