Re: No. 1 Granny  
Section 1, T11S, R36E  
Lea County, New Mexico

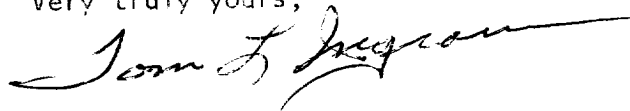

Gentlemen:

On July 1, 1969, I completed the Tom L. Ingram No. 1 Granny for 100 BOPD from an Atoka sand (11615-11630'). The production casing in this well is 2-7/8" O.D.

In accordance with Rule 107 (d) (4), I am requesting administrative approval from the Secretary-Director for this tubing less completion.

Pending action on the above request, it is further requested under Rule 504 (a) that an allowable of 100 BOPD be assigned the above captioned well.

Very truly yours,

Tom L. Ingram
