Gentlemen:

We have been informed that you have re-entered the well listed above and have moved the rig off the location. We are in need of the sundry reports on what was done and what your intentions are to bring this well file in compliance with the Oil Conservation Rules and Regulations. These reports were due 30 days after completion & must be filed in accordance with Rules 1101, 1102, 1103, 1104, and 1105.

A list of reports and forms that are needed:

- 1.) C-103 report on the work that you did on the well
- 2.) C-104 Request for allowable and authorization to transport
- 3.) C-105 Well Completion report
- 4.) A copy of any and all logs run

We need these forms sent to the Oil Conservation Division, P O Box 1980, Hobbs NM 88241. If you have any question on this matter, please call District I, (505) 393-6161.

Yours very truly,

OIL CONSERVATION DIVISION
