Mr. A. L. Porter, Jr., State Geologist
New Mexico Oil Conservation Commission
P. O. Box 2088
Santa Fe, New Mexico 87501

Dear Mr. Porter,

At this time I am drilling the John L. Cox - Federal No. 1, located 963 feet from the north line and 1980 feet from the west line of Section 3, T-11-S, R-33-E, Lea County, New Mexico. This lease consists of 49.27 acres, being Lot 3 in Section 3. The well is being drilled to the Pennsylvanian formation in the North Bagley area. Inasmuch as this lease consists of a non-standard proration unit, I would appreciate administrative approval of a proration unit consisting of the lease upon completion of the well that is now being drilled.

A Xerox copy of Form C-102 is attached showing the location of the well and lease. If you desire any additional information regarding this matter, please advise.

Very truly yours,

Original Signed By
JOHN L. COX
