THE HISTORY OF THE CITY OF BOSTON

The city of Boston, situated on a neck of land between the harbor and the bay, was first settled by a few Englishmen in 1630. It was then a small town, but it grew rapidly, and by 1690 it had become one of the largest cities in the colonies. In 1775, during the American Revolution, it was the scene of many important events, and it was the first city to declare its independence from Great Britain. Since that time, it has continued to grow and prosper, and it is now one of the largest and most important cities in the United States.
