17. DESCRIBE PROMISED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.) \*

We request that gas production from the above be monitored on LC-065151(CA14080017289). The meter has been placed off lease due to the sandy condition of the road on the above which makes it difficult to get to the meter.

Off Lease Storage/Measurement

Conditions of Approval

Approval of off lease storage/measurement and sales is subject to the following conditions of approval:

1. This agency be notified of any change in your sales method or location of the sales meter.
2. This agency shall be notified of any spill or discharge as required by NTL-3A.
3. This agency reserves the right to modify or rescind approval whenever it determines continued use of the approved method may adversely affect the surface or subsurface environments.
4. This approval does not constitute right-of-way approval for any off lease activities. You need to submit within 30 days an application for right-of-way approval to the Realty Section in this office if you have not already done so.
