Gentlemen:

I have examined the application dated _____
for the Flag Redfern Oil Co. Bilbrey "51" #1-A 23-9-37
Operator Lease and Well No. Unit, S-T-R

and my recommendations are as follows:

Recommend hearing on this well.----J.W.R.

(1) Nearest wells $\frac{1}{4}$ mile east in Units D & E, 23-9-37, Sawyer San Andres, and wells $\frac{1}{2}$ mile south & west, West Sawyer San Andres, all producing from same zone as proposed injection well.

(2) There is good usable Ogallala fresh water in the area.

Yours very truly,
