The purpose of filing this form is to advise the New Mexico Oil Conservation Commission of a change of the operator who will drill this well from Hanson Oil Corporation to Stallworth Oil & Gas. Other changes are the well number which will be No. 1 instead of No. 2 and the approximate date work will start from April 1, 1973 to July 15, 1973. Other data, as presented on Hanson's forms C-101 and C-102, remains unchanged with regard to our plans.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
