Operator requests an extension until 2/1/2000 to comply with the Notice of Incidents of Noncompliance received for this well. The noncompliance issue cited is the non-approved temporary abandonment of the subject well. We do not have good records on this well. We have asked the assistance of Armando Lopez in the BLM Roswell office to determine how the wells should be plugged, if that is the course of action we decide to take. We will not be able to reply by your 1/4/2000 deadline. The additional time will allow us to make the proper decision.
