(505) 393-6161

William K. Young
New Mexico State #1-C
Section 17, T10S, R33E

No subsequent report of plugging was ever received
on the above well. Letters written but no response.

The following is the plugging procedure that was verbally
authorized by Les Clements of this office and we presume
the well was plugged accordingly.

30 sx plug 4200--3900'

100 ft plug at stub of 5"

set 100' 300--400'

If salt is exposed set 100' at base and top of salt

10 sx surface plug with marker

A handwritten signature in cursive script, reading "Jerry Sexton".
