Re: State "11" #1-L
Sec. 11, T10S, R32E

Gentlemen:

We have approved the C-103 covering the attempted recompletion in the Wolfcamp. In lieu of obtaining administrative approval to downhole commingle zones in which one zone has 0 production, you may give us a letter stating the Wolfcamp was perforated and was left open but no oil or gas was obtained from the Wolfcamp perforations.

Very truly yours,

OIL CONSERVATION DIVISION
