

INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Commission not later than 30 days after the completion of any newly-drilled or deepened well. It shall be completed by a copy of all electrical and radioactivity logs run in the well and a summary of all special tests conducted, including drill stem tests. All logs to be reported shall be measured depth. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completion items, such as in 34 shall be reported for each zone. The form is to be filed in quintuplicate except on state land, where a sextuplicate is required. (See Rule 11.7.)
