

October 20, 1977

NM-16-27

Mr. Jerry Sexton Supervisor District 1 New Mexico Oil Conservation Commission P. O. Box 1980 Hobbs, New Mexico 88240

Re: Your letter of October 6, 1977.

Dear Mr. Sexton:

Attached please find deviation records on our recently completed SFPRR No. 22, located in Unit G, Section 33, T9S, R37E. These were submitted previously to your office, lacking notarization.

It is requested that the NMOCC accept my notarized statement on the validity of the deviation surveys, in lieu of having all drillers on this well repeat their signatures in the presence of a notary public.

"The attached deviation surveys, pertaining to the drilling of the SFPRR No. 22, Unit G, Section 33, T9S, R37E, Lea County, New Mexico, are true and complete to my knowledge."

Inthing . Welker

SIGNED:

Anthony J. Welker Petroleum Engineer

Five copies of revised Form C-102, as requested, is also attached.

If the above method of notarizing deviation records is not satisfactory, please advise.

Sincerel Anthony 3()Welker

Petroleum Engineer
