Attention: Clifton R. May

Dear Sir:

By application dated December 6, 1985, Yates Petroleum applied for administrative approval of a non-standard well location for your Tenneco ADP State Comm No. 1 Well located 330 FSL & 990 FEL of Section 2, T-11 South, R-34 East, NMPM, Lea County, New Mexico, Wildcat Atoka Gas Pool. Administrative approval was given by Order No. NSL-2209, dated January 8, 1986.

On April 3, 1986, the Division received a new application for a non-standard location for the above said well, due to an oversight by Yates. Subsequently, the Division issued administrative order No. NSL-2262, which covered the same well.

In order to correct this error, Division Order No. NSL-2262 is hereby cancelled and Division Order No. NSL-2209 shall remain in effect.

Sincerely,

R. L. Stamets  
Director
